About the Farmhouse Collection

The Farmhouse Collection is designed to evoke a sense of warmth, nostalgia, and timeless beauty.

Inspired by well-loved homes, treasured keepsakes, and the stories passed down through generations, this collection brings rich, organic color and handcrafted character to your images. Heirloom-inspired tones, natural warmth, and a touch of nostalgia create an inviting photographic aesthetic that feels both beautifully lived-in and timeless.

- Includes 128 Presets
- Includes 31 Brush Presets ** (Not yet available for Mobile/LR CC)*
- Compatible with Lightroom CC, Lightroom Classic & Adobe Camera Raw
- Presets are Easily Modified & Stackable

LENS CORRECTION

Lens Correction ON - Enables Lightroom's built-in lens profile corrections to help correct distortion and vignetting based on the lens used.

Lens Correction OFF - Disables Lightroom's built-in lens profile corrections, returning the image to its uncorrected lens characteristics.

DAYLIGHT EXPOSURE

WHITE LINEN BALANCE

Auto White Balance - Automatically balances color temperature and tint.

Warm Up + - Adds a subtle touch of warmth to the image.

Warm Up ++ - Adds a stronger touch of warmth to the image.

Cool Down + - Adds a subtle touch of coolness to the image.

Cool Down ++ - Adds a stronger touch of coolness to the image.

Temp - As Shot - Restores the image temperature to the original camera setting.

Green Shift + - Adds a slight green tint to fine-tune color balance.

Green Shift ++ - Adds a stronger green tint for greater color correction.

Magenta Shift + - Adds subtle magenta to balance green color casts.

Magenta Shift ++ - Adds stronger magenta to balance green color casts.

Tint - As Shot - Restores the image tint to the original camera setting.

Farmhouse Collection Presets

A.I. ADAPTIVE BRUSHWORK

Indoor Subject Pop - Subtly brightens indoor subjects for added clarity and dimension.

Frontlit Subject Pop - Brightens and enhances outdoor subjects photographed in frontlit conditions for a clean, balanced boost.

Backlit Subject Pop - Significantly brightens outdoor subjects photographed in backlit conditions to restore light, detail and definition.

Indoor Background - Deepens indoor backgrounds to add richness, depth and subject separation.

Frontlit Background - Balances frontlit backgrounds while adding depth and richer color.

Backlit Background - Recovers and deepens backlit backgrounds for improved color, detail and balance.

Recover Sky Details - Recovers lost sky detail while enhancing color, depth and definition.

Farmhouse Collection Presets

A.I. ADAPTIVE RETOUCH

Subtle Skin Smoother - Softens skin while maintaining natural texture and detail.

Whiten Eye Whites - Brightens the whites of the eyes for a clean, refreshed look.

Iris Catchlights - Enhances iris detail and catchlights for brighter, more captivating eyes.

Whiten Teeth - Brightens teeth for a naturally whiter smile.

Lip Soften & Color - Softens lips while enhancing their natural color and definition.

Hair Soften & Contrast - Softens hair while adding contrast and definition.

Garment Enhancer - Enhances garment texture, detail and definition.

Farmhouse Collection Presets

KEEPSAKE COLOR TONES

Grandma's Quilt - Adds cozy warmth while gently muting the overall palette. Greens and cooler hues become more subdued while earthy neutrals take on a soft, nostalgic quality.

Grandma's Quilt + Boost - Builds on the cozy warmth of Grandma's Quilt with richer color and greater depth. Earthy tones become more pronounced while the muted palette gains added contrast and dimension.

Handwritten Letters - Creates a softly faded, understated palette with subdued color and gentle warmth. Contrast is softened for a beautifully aged finish that feels quiet and nostalgic.

Handwritten Letters + Boost - Deepens the softly faded character of Handwritten Letters with added richness and definition. Muted colors remain restrained while stronger tonal separation gives the image more presence.

Seed Packets - Brings out warm, earthy color while gently taming brighter hues. Greens feel more natural and subdued, complemented by warm neutrals and an organic, garden-inspired finish.

Seed Packets + Boost - Intensifies the earthy character of Seed Packets with richer color and deeper contrast. Greens and warm tones gain more presence without losing the preset's natural, organic quality.

Children's Pottery - Adds warmth and personality to the palette with gently enriched color and softened contrast. Warm neutrals and earthy hues come forward while maintaining a natural, handcrafted feel.

Children's Pottery + Boost - Takes the warm, colorful character of Children's Pottery a step further with richer hues and added depth. Color feels fuller while stronger contrast adds dimension.

Farmhouse Collection Presets

KEEPSAKE COLOR TONES

Watering Cans - Introduces a cooler, quieter palette with gently restrained warmth and saturation. Greens and cooler tones take on a softened, slightly weathered character for a calm finish.

Watering Cans + Boost - Strengthens the cool, weathered character of Watering Cans with deeper tones and more definition. Muted color remains intact while added contrast creates greater depth.

Stamp Collection - Softens and mutes the palette for a lightly faded, collected-over-time quality. Color becomes more restrained while gentle tonal shifts lend the image subtle vintage character.

Stamp Collection + Boost - Adds greater richness and dimension to the faded palette of Stamp Collection. Muted hues remain nostalgic while deeper contrast gives the overall finish more visual weight.

Rusty Horseshoe - Leans into rich, rustic warmth with earthy browns and warm neutrals taking center stage. Cooler colors become more restrained while added depth creates a grounded, weathered feel.

Rusty Horseshoe + Boost - Deepens the rustic warmth of Rusty Horseshoe with stronger contrast and richer earthy color. Warm browns gain intensity while the overall image takes on greater depth and dimension.

China Pattern - Creates a softer, more refined palette with a subtle cool influence. Color is gently restrained and contrast softened, lending the image an airy, delicate quality.

China Pattern + Boost - Strengthens the refined character of China Pattern with greater tonal depth and more noticeable color. The cooler palette remains polished while added contrast gives it more definition.

Farmhouse Collection Presets

KEEPSAKE COLOR TONES

Rocking Chairs - Opens the image with brighter tones, lifted shadows and a clean, relaxed palette. Color gains a touch of freshness while maintaining soft, natural contrast.

Rocking Chairs + Boost - Builds on the brighter character of Rocking Chairs with richer color and stronger tonal separation. The image remains open and inviting while gaining additional depth and definition.

Button Jars - Creates a richer, moodier finish with deeper shadows and restrained color. Warm neutrals feel grounded while the increased tonal depth gives the image a cozy, dimensional character.

Button Jars + Boost - Pushes the depth of Button Jars further with stronger shadows, richer tones and increased contrast. Color remains controlled while the overall finish becomes noticeably more dramatic.

Mismatched Mugs - Softens the palette with muted color, lifted darker tones and a slightly hazy quality. The result feels relaxed and understated, with a gentle lived-in warmth.

Mismatched Mugs + Boost - Adds depth and presence to the muted character of Mismatched Mugs. Softened color remains intact while increased contrast gives the hazy, relaxed finish more dimension.

Cuckoo Clock - Brightens the palette while adding warmth and a softly luminous quality. Creams, warm neutrals and golden tones come forward while stronger colors remain pleasantly softened.

Cuckoo Clock + Boost - Enriches the warm, luminous character of Cuckoo Clock with fuller color and stronger definition. Golden tones become more pronounced while added depth keeps the brightness from feeling flat.

Farmhouse Collection Presets

KEEPSAKE COLOR TONES

Macaroni Art - Balances the image with softly muted color and clean, natural contrast. Warm and cool hues remain controlled, creating an easygoing finish that feels polished without becoming overly stylized.

Macaroni Art + Boost - Adds more presence to Macaroni Art through richer color, contrast and definition. The balanced palette remains natural while the overall image gains a stronger, more dimensional finish.

Wind Chimes - Gives the image a brighter, fresher quality with clean tones and enhanced color. Shadows remain open while the palette gains clarity and a light, breezy feeling.

Wind Chimes + Boost - Amplifies the fresh character of Wind Chimes with richer color and stronger tonal definition. The image stays bright and lively while gaining additional depth and polish.

Well-Loved Books - Gently mutes the palette and softens contrast for a beautifully worn-in appearance. Brighter colors become more restrained while warm neutrals create a quiet, familiar character.

Well-Loved Books + Boost - Adds richness and depth to the worn-in palette of Well-Loved Books. Muted color remains soft and nostalgic while increased contrast creates a more substantial finish.

Homemade Ornament - Creates a warm, richly dimensional finish with deeper contrast and enhanced color. Earthy reds, browns and warm neutrals gain presence while cooler hues remain balanced.

Homemade Ornament + Boost - Intensifies the warmth and depth of Homemade Ornament with richer color and stronger contrast. Warm hues become more pronounced, creating a bold yet still inviting finish.

Farmhouse Collection Presets

HOME-COOKED COLOR TONES

Chicken Coop - Adds creamy warmth and soft golden tones for a rich, inviting finish.

Screen Door - Deepens greens with a dark, muted matte finish for earthy richness.

Hay Bales - Infuses the image with soft golden-amber tones for subtle warmth and depth.

Wildflowers - Blends an array of warm, earthy hues for a colorful, dimensional finish.

Well Water - Introduces softly cooled, muted tones for a rustic, understated finish.

Dinner Bell - Adds warm brown tones and a soft matte finish for rich, earthy depth.

Windmill - Adds crisp contrast and cooler depth for a clean, defined finish.

Clothesline - Blends softly cooled tones for a fresh, subtly colorful finish.

Grain Silo - Enhances color and contrast for a vivid, lively finish with added depth.

Farm Truck - Infuses the image with soft rosy-pink tones for a warm, subtly flushed finish.

Picket Fence - Deepens earthy tones and shadows for a rich, grounded finish.

Hot Tin Roof - Adds warm, subdued sepia tones for a soulful, timeless finish.

Swimming Hole - Softens and warms the overall palette for a clean, comforting finish.

Farmhouse Collection Presets

HOME-COOKED COLOR TONES

Barn Doors - Adds toasted warmth, richer color and stronger contrast for a bold, dimensional finish.

Salt Lick - Softens the palette with creamy ivory tones and a light, airy finish.

Greenhouse - Shifts the palette toward muted green tones for a cool, earthy finish.

Porch Swing - Softens warm tones with a subtle cool shift and muted color for a calm, gently balanced finish.

Storm Shelter - Deepens shadows and color with rich, moody tones for a darker, more dramatic finish.

Gravel Road - Mutes color with dusty, earthy undertones for a softly weathered finish.

Farmhouse Collection Presets

PORCH LIGHT MONOCHROME

Checkered Floors - Creates a balanced black-and-white conversion with softened contrast, open shadows, and smooth midtones for a clean, gently faded finish.

Tire Swing - Creates a softer black-and-white conversion with lighter midtones, controlled highlights, and gentle tonal contrast for a smooth, natural finish.

Cowhide Rug - Creates a deeper black-and-white conversion with richer blacks, darker shadows, and stronger tonal depth for a bold, dimensional finish.

ATMOSPHERIC LIGHT

Scattered Light - Spreads soft, diffused light throughout, gently lifting scattered areas for a natural atmospheric glow.

Left Side Glow - Adds a soft glow on the left side, fading toward the center.

Middle Glow - Concentrates soft, diffused light through the center while keeping the outer areas more subdued.

Right Side Glow - Adds a soft glow on the right side, fading toward the center.

Left Side Moody, Right Side Glow - Deepens the left while adding a soft right-side glow for directional contrast and depth.

Right Side Moody, Left Side Glow - Deepens the right while adding a soft left-side glow for directional contrast and depth.

Bottom Moody, Top Glow - Deepens the lower portion while adding soft illumination from above for a graduated, dimensional effect.

Top Light (Vertical) - Adds a concentrated vertical wash of light from above for a stronger, more focused glow.

Top Light (Horizontal) - Spreads soft light across the upper portion for a wider, more even overhead glow.

Movable Window Glow - Adds a movable radial glow that mimics window light without affecting your subject.

Farmhouse Collection Presets

HOPE CHEST EXTRAS

Warm Matte Edges - Adds soft, warm matte shading around the edges to gently frame the image and draw attention inward.

Mute The Color - Mutes and softens color for a more subdued overall palette.

Amplify The Color - Boosts color for richer, more vibrant hues throughout the image.

Darken The Shadows - Deepens darker areas to add depth and stronger shadow definition.

Brighten The Highlights - Brightens highlights to add light and dimension to the brighter areas of the image.

Bolster The Contrast - Strengthens contrast for greater tonal separation, depth, and definition.

Cushion The Contrast - Softens contrast for a gentler transition between highlights and shadows.

Rescue The Shadows - Opens darker areas to reveal more detail and soften heavy shadows.

Recover The Highlights - Softens bright highlights to recover detail in the lightest areas.

Subtle Dehaze Boost - Gently lifts dullness and haze to add subtle depth and definition.

Gentle Clarity Boost - Adds gentle clarity for slightly crisper detail and definition.

Soft Velvet Finish - Softens texture and clarity for a smooth, dreamy finish with a subtle velvety softness.

Farmhouse Collection Presets

SHANNON'S RECIPE BOX

Complete one-click edits combining color, tone, retouching, lighting, and adaptive masks for a polished, finished image.

Chicken Fried Steak - Creates a rich, earthy edit with warm skin tones, muted blue-greens, and deeper olive foliage. Shadows stay substantial while lifted blacks keep the darkest areas from becoming too heavy, giving the image a warm, grounded finish.

Green Bean Casserole - Adds warm, golden color with softened greens and gently muted blues. Foliage shifts toward deeper olive tones while skin and warm neutrals become richer. Lifted shadows and blacks soften the overall contrast while maintaining depth.

Scalloped Potatoes - Creates a warm, slightly muted edit with earthy greens and subdued blues. Highlights are controlled while shadows are opened, producing softer contrast and a balanced tonal range without flattening the image.

Hummingbird Cake - Adds a richer, moodier warmth with deeper greens, warm browns, and slightly subdued color. Shadows retain more depth while highlights remain controlled, giving the image a darker, more dimensional finish.

Sweet Iced Tea - Keeps color relatively natural while adding warmth and moderate contrast. Greens remain earthy without becoming overly muted, blues stay clean, and slightly deeper blacks give the image definition while preserving a natural overall color balance.

Mississippi Pot Roast - Creates a deeper, earthy edit with muted greens, restrained blues, and rich warm neutrals. Shadows and blacks carry more weight while highlights stay controlled, producing a darker, more grounded tonal range.

Farmhouse Collection Presets

SHANNON'S RECIPE BOX

Jalapeño Cornbread - Adds warm, earthy color while shifting foliage toward muted olive greens. Blues become slightly subdued and warm tones are emphasized, while lifted blacks and softened contrast keep the darker areas from becoming too dense.

Ham-Hock Collard Greens - Produces one of the softer, more muted green treatments in the group. Foliage shifts toward subdued olive tones, blues are restrained, and significantly lifted blacks create a softer, slightly faded tonal range while retaining detail in the shadows.

Southern Creamed Corn - Adds creamy warmth with softened greens and warmer yellow-gold tones. Highlights remain controlled, shadows are opened, and blacks are lifted for a smoother tonal transition and a warm, softly muted overall finish.

Chilled Key Lime Pie - Creates a slightly cooler, cleaner interpretation with restrained warmth and more neutral greens. Highlights and shadows are balanced while lifted blacks soften the deepest tones, giving the image a lighter, less earthy color treatment than many of the surrounding recipes.

Skillet Mac & Cheese - Adds stronger definition with cleaner color, deeper contrast, and slightly brighter midtones. Greens remain rich but controlled, blues retain more presence, and the tonal range has more clarity and separation than the softer recipes.

Brunswick Stew - Creates a warm, rich edit with deeper olive greens, subdued blues, and enhanced earthy browns and golds. Open shadows and lifted blacks preserve detail while the warmer color treatment gives the image substantial depth without overly dark shadows.

Watermelon Salad - Adds a brighter, fresher color treatment with more distinct greens and cleaner blues. Shadows are opened while blacks remain somewhat deeper, creating stronger tonal separation and a crisper appearance than the softer, more muted recipes.

Farmhouse Collection Presets

SHANNON'S RECIPE BOX

Whipped Honey Butter - Creates a soft, creamy warm edit with golden neutrals, muted greens, and gently subdued blues. Highlights are heavily controlled and shadows are opened, while lifted blacks soften contrast for a smooth, mellow tonal range.

Kentucky Mint Julep - Produces a soft, muted treatment with noticeably lifted shadows and blacks. Greens become subdued and slightly cooler/earthier, blues are restrained, and the compressed tonal range creates one of the lightest, softest shadow treatments in the Recipe Box.

Farmhouse Collection Brushes

FARMHOUSE BRUSHES

- Diminish the Reds** - Reduces excessive red tones in the brushed area.
- Diminish the Oranges** - Reduces excessive orange tones in the brushed area.
- Diminish the Yellows** - Reduces excessive yellow tones in the brushed area.
- Rescue the Highlights** - Recovers detail in overly bright highlight areas.
- Rescue the Shadows** - Opens dark shadow areas to reveal additional detail.
- Pop the Highlights** - Brightens highlights to add light and dimension
- Richen the Shadows** - Deepens shadow areas to add richness and tonal depth.
- Intensify the Color** - Increases color intensity in selected areas.
- Calm the Color** - Softens color intensity for a more muted result.
- Blacken the Blacks** - Deepens blacks for added depth and definition.
- Whiten the Whites** - Brightens whites for a cleaner, brighter appearance.
- Warm It Up** - Adds warmth to selected areas.
- Cool It Down** - Adds cooler tones to selected areas.
- Counterbalance Magentas** - Neutralizes excessive magenta tones.
- Counterbalance Greens** - Neutralizes excessive green tones.
- Blur the Edges** - Softens detail and definition along selected areas or edges.
- Dehaze Boost** - Adds dehaze for greater depth and definition.
- Clarity Boost** - Increases local clarity to add midtone contrast and definition.
- Sharpen Details** - Adds localized sharpening to enhance fine detail.
- Increase Contrast** - Increases contrast in selected areas.
- Decrease Contrast** - Softens contrast for smoother tonal transitions.
- Create Fill Light** - Opens darker areas for softer, more balanced light.

Farmhouse Collection Brushes

FARMHOUSE BRUSHES

Sheer Shine - Adds whites and brightness to selected areas for increased focus and pop.

Warm Creamy Light - Adds soft, creamy warmth for a natural glow in the sky.

Natural Creamy Light - Adds soft, neutral light for a natural glow in the sky.

Cool Creamy Light - Adds soft, creamy light with a subtle cool tone to the sky.

Blue Sky Luminance - Enhances sky tones with richer blues and added depth.

Colorful Sky Luminance - Enhances sky tones for richer, more vibrant color.

Evening Sky Luminance - Enhances blue sky tones for richer color and depth during blue hour.

Dodge Brush - Selectively lightens areas of the image for traditional dodging.

Burn Brush - Selectively darkens areas of the image for traditional burning.
