About the F·R·I·E·N·D·S Collection

The **F·R·I·E·N·D·S Collection** is a Lightroom sister set to our beloved Cult Classics Collection. With its signature warmth and cinematic tones, this collection refines and elevates your images with a modern twist.

Drawing inspiration from nostalgic color palettes and golden-hour light, this set enhances warm, hazy hues and rich autumn tones while preserving natural, luminous skin. Each preset was crafted to bring depth, richness, and emotion to your images — creating a cohesive, editorial look that feels both timeless and fresh.

- Includes 102 Presets
- Includes 10 Brushes
- Compatible with Lightroom CC, Lightroom CC Classic & ACR
- Presets are Easily Modified & Stackable

NOTE: Lightroom CC is Adobe's mobile interface. Because of this, brushes can only be loaded into Lightroom CC Classic

UGLY NAKED GUY EXPOSURE

Ugly Naked Guy Exposures enable swift adjustment of midtones, elevating or lowering them, to attain the desired image exposure.

UNAGI WHITE BALANCE

Auto White Balance - Automatically adjusts color temperature & tint to make whites neutral and remove unwanted color casts

Warmth Boost (++) - Warms the image with a delicate golden shift

Warmth Boost (+) - Adds subtle warmth with a hint of golden tones

Magenta Boost (++) - Slightly warms the image with a noticeable magenta tint

Magenta Boost (+) - Slightly warms the image with a subtle magenta tint

Rachel Green (++) - Cools the image with a pronounced green tint

Rachel Green (+) - Slightly cools the image with a gentle green cast

Cooler Boost (++) - Strongly cools the image with a subtle green tint

Cooler Boost (+) - Moderately cools the image with a hint of green

Revert Back, As Shot - Resets any prior Unagi White Balance adjustment

F·R·I·E·N·D·S Collection Presets

MONICA'S CLEAN FREAK TONES

How You Doin'? – Brighter whites & soft warm tones add airy radiance and smooth skin; greens lighten and warm toward fresh spring hues

Jellyfish Sting – Cooler tones & added clarity create crisp detail, with neutral greens & lightly desaturated skin

Pivot! Pivot! – Bright, airy light & gentle highlights keep skin warm, with greens brightening and shifting toward lively yellow-green

We Were On A Break – Punchy contrast & clean warmth keep natural skin tones, with true-to-neutral greens deepened slightly for subtle richness

Could I BE Anymore... – Brighter exposure & crisp contrast add clean pop and lively skin tones; greens stay natural but brighten into a fresh yellow-green glow

Dr. Drake Ramoray – Cooler mid-tones & subtle clarity sculpt features gently; greens remain natural but lean slightly cooler for refined depth

Seven! Seven! – Deepened shadows & warm mid-tones add richness, giving sun-kissed skin and greens that lean toward warm golden tones

Joey Doesn't Share Food – Lifted shadows & muted blacks add soft film texture, natural warm skin, & deeper greens shifting toward rich pine

Central Perk – Soft warm contrast & creamy highlights create a cozy golden feel; greens deepen gently with a warm earthy cast

Holiday Armadillo – Matte shadows & lifted blacks create soft film glow with creamy skin; greens mute slightly into dusted sage for nostalgic warmth

He's Her Lobster – Balanced warmth & deeper contrast enrich tones and add cinematic polish; greens stay natural & slightly deepened for authentic depth

Thanksgiving Pants – Moody contrast with cooler undertones softens saturation and shifts greens toward soft teal-tones for subtle drama

Hug & Roll – Softened contrast & warm mid-tones give glowing skin, with greens warming gently toward natural earthy warmth

Leather Pants Paste – Stronger contrast & richer saturation deepen tones, warming skin & pushing greens into bold, vibrant richness

Gum Would Be Perfection – Gentle warmth & smooth glowing tones soften contrast for a polished, romantic look; greens warm subtly & settle into soft golden-green hues

The Routine – Matte contrast & warm tones give velvety skin, with greens softening into muted herbal tones for a timeless feel

F·R·I·E·N·D·S Collection Presets

GLADYS' ARTISTIC TONES

So No One Told You – Neutral warmth & subtle clarity enhance skin radiance; greens remain natural but deepen slightly for clean richness

Life Was Gonna – Deeper contrast with cool-leaning shadows adds mood; skin gains sculpted depth and greens shift toward refined sage tones

Be This Way – Soft highlights & lifted blacks give a velvety matte glow; skin brightens gently as greens soften into earthy film tones

Clap, Clap, Clap, Clap – Brighter mids & faint coolness add airy clarity; skin appears fresh and luminous, with crisp, true greens

Your Job's A Joke – Crisper contrast & lifted highlights brighten skin and define detail; greens lean cleaner and slightly cooler for a polished modern look

You're Broke – Soft matte contrast with warm mids adds gentle depth; skin stays natural & creamy as greens soften into warm earthen tones for nostalgic warmth

Your Love Life's DOA – Deepened shadows & subtle warmth add cinematic mood; skin glows softly while greens mute toward mossy tones

It's Like You're Always – Warm lifted shadows & softened highlights create creamy light; skin glows softly as greens warm into bronze-olive hues

Stuck In Second Gear – Lower contrast & creamy matte warmth with glowing skin tones and sun-washed foliage for a soft, dreamy finish

When It Hasn't – Punchy highlights & warm mids boost skin brightness; greens stay true with subtle warmth for a light cinematic feel

Been Your Day – Rich contrast & golden warmth deepen mood; skin glows warmly while greens warm and gently deepen

Your Week, Your Month – Balanced contrast & warm light enhance skin radiance; greens stay true but deepen slightly for a grounded finish

Or Even Your Year – Matte blacks & gentle warmth soften edges; skin looks smooth and golden, with greens mellowing into muted botanical tones

F·R·I·E·N·D·S Collection Presets

MAIN CHARACTER ENERGY

Fun Bobby (Bright Clean) – Bright, clean lift with soft skin and subtle warmth

Fun Bobby (Subtle Clean) – Soft, natural brightening with creamy tones and gentle highlight control

Estelle (Bright Glow) – Soft warm glow with lifted whites and smooth, luminous skin

Estelle (Subtle Glow) – Soft warm lift with gentle highlights and creamy natural radiance

Marcel (Bright Warm) – Bright warm pop with glowing highlights and soft skin depth

Marcel (Subtle Warm) – Gentle warm lift with creamy tones and softened highlights

Janice (Bright Magenta) – Luminous warmth with a subtle magenta tint and smooth skin glow

Janice (Subtle Magenta) – Soft warm lift with a light magenta tint, creamy highlights, and natural smooth skin

Gunther (Bright Green) – Airy glow with balanced, natural skin; soft green tint eases excess magenta for true-to-tone results

Gunther (Subtle Green) – Subtle skin-tone corrector for lightly rosy complexions; calms undertones while staying neutral

Chick & Duck (Bright Cool) – Clean, bright lift with a cool shift to neutralize warmth and keep skin crisp and fresh

Chick & Duck (Subtle Cool) – Soft cool balance with natural skin tone and a clean subtle lift

F·R·I·E·N·D·S Collection Presets

ROSS' CHARACTER ANNULMENT - BACKGROUND

Mom In Montauk – Warm background lift with clean contrast, bright whites, and a polished, natural backdrop

Fake Ticket To Yemen – Warm, contrast-rich background with softened texture — deepens tones and adds cinematic warmth without affecting skin

London Baby! – Warm depth and lifted contrast with softened texture — refined tones for a rich, polished backdrop while keeping skin natural

We're Moving To Tulsa! – Soft warm background treatment with lifted shadows and reduced texture — smooth separation with a gentle warm glow

The Paris Of Oklahoma – Subtle neutral-cool background shift with deeper, cooler greens and a soft shadow lift — refined contrast for a clean, cinematic environment

You Are So Going To Minsk – Soft cool-tone background with lowered shadows and a subtle green-blue shift — cleaner, deeper greens and a smooth, understated depth

ROSS' CHARACTER ANNULMENT - SKY

Did She Get Off The Plane? – Bright cinematic sky boost with lifted shadows, deep highlight recovery, subtle warmth, and gentle saturation — crisp clouds and a clean, natural-bright sky

I Got Off The Plane – Warm cinematic sky lift with highlight recovery, raised mids/shadows, boosted clarity + dehaze, and soft saturation for glowing golden skies and crisp cloud texture

F·R·I·E·N·D·S Collection Presets

F·R·I·E·N·D·S Collection Presets

THE ENTERTAINMENT UNIT

Phoebe's Skin Cure – Gently refines visible skin, reducing texture + distractions for a soft, luminous finish while maintaining realistic detail

Ross' Teeth Whitener – Subtly enhances and whitens teeth while maintaining natural tone + texture for a healthy, luminous smile

Rachel's Eye Drops (Whites) – Enhances the whites of the eyes with gentle brightening + neutralizing to create a crisp, luminous, awake look

Rachel's Eye Drops (Iris) – Brightens iris, midtones, and highlights for added sparkle

You're OVER Me? – Lifts midtones for a brighter, more balanced pop without affecting highlights or shadows

When Were You UNDER Me? – Lowers midtones for richer depth and mood without crushing shadows or highlights

Custard, Good (Shadows Pop) – Crisp shadow drop that adds mood + structure without crunching detail or flattening color

Jam, Good (Highlights Pop) – Brighter highlights for crisp, lively pop

Meat, Good (Mishmash Pop) – Boosts highlights + shadows for that “extra pop like Joey on Thanksgiving leftovers” energy — bold but still beautiful

Rambled On (Highlight Recover) – Pulls back highlights to restore texture + tone, keeping bright areas natural and controlled

For Eighteen Pages (Shadow Recover) – Restores shadow detail for a softer, more open look

Front & Back (Combo Recover) – Pulls back highlights and lifts shadows to restore texture, creating a refined, even tonal range without losing contrast

Hold Me Closer (Colorful) – Adds a gentle saturation boost for richer, more vibrant color

Tony Danza (Not Colorful) – Pulls back saturation for a muted palette with subtle film-style

I Know! (Clarity Boost) – Center-focused clarity for crisp detail and dimensional pop, fading gently toward the edges

Nubbin (Dehaze Boost) – Boosts dehaze for clearer depth, cleaner contrast, and crisper detail

Magna Doodle (Vignette) – Applies a classic vignette to draw focus inward

A Moo Point (Sharpener) – Refined detail boost with tapered edge fall-off for enhanced definition + natural depth without harshness

Reset Everything (Except Masks) – Resets all global edits while preserving your masks

F·R·I·E·N·D·S Collection Presets
