Homestead Collection Actions

FOR INTERNATIONAL USERS

Convert to Background Layer - this action is for our international users only. It translates the first layer (no matter the language) to the word "background" for our actions to function properly.

DAYLIGHT EXPOSURE

From Sun Up {Reduce Opacity} - Brightens the image for a balanced starting exposure before further editing.

To Sun Down {Reduce Opacity} - Darkens the image for a balanced starting exposure before further editing.

THERMOSTAT TEMPERATURE

Heat Wave {Reduce Opacity} - Warms the image for a balanced starting temperature before further editing.

Cold Snap {Reduce Opacity} - Cools the image for a balanced starting temperature before further editing.

Homestead Collection Actions

A.I. ADAPTIVE BRUSHWORK

Indoor Subject Pop - Subtly brightens indoor subjects for added clarity and dimension.

Frontlit Subject Pop - Brightens and enhances outdoor subjects photographed in frontlit conditions for a clean, balanced boost.

Backlit Subject Pop - Significantly brightens outdoor subjects photographed in backlit conditions to restore light, detail and definition.

Indoor Background - Deepens indoor backgrounds to add richness, depth and subject separation.

Frontlit Background - Balances frontlit backgrounds while adding depth and richer color.

Backlit Background - Recovers and deepens backlit backgrounds for improved color, detail and balance.

Recover Sky Details - Recovers lost sky detail while enhancing color, depth and definition.

Homestead Collection Actions

A.I. ADAPTIVE RETOUCH

Subtle Skin Smoother - Softens skin while maintaining natural texture and detail.

Whiten Eye Whites - Brightens the whites of the eyes for a clean, refreshed look.

Iris Catchlights - Enhances iris detail and catchlights for brighter, more captivating eyes.

Whiten Teeth - Brightens teeth for a naturally whiter smile.

Lip Soften & Color - Softens lips while enhancing their natural color and definition.

Hair Soften & Contrast - Softens hair while adding contrast and definition.

Garment Enhancer - Enhances garment texture, detail and definition.

EXPAND DYNAMIC RANGE

Root Cellar {Darken, Then Dodge} - Deepens the overall image, then allows you to selectively paint light back onto desired areas.

Sunroom {Highlight Enhancer} - Enhances highlights to add brightness, dimension and luminosity.

Homestead Collection Actions

COLOR CAST CORRECTORS

Rattle The Reds - Tames overpowering reds for cleaner, more natural tones.

Oxidize The Oranges - Neutralizes orange casts for improved tonal balance.

De-Yolk The Yellows - Softens excessive yellow tones for a cleaner, more neutral finish.

Guzzle The Greens - Removes green casts for more natural-looking color.

Compost The Cyans - Corrects cyan tones to restore overall color balance.

Butcher The Blues - Tames excessive blues for cleaner, more neutral tones.

Prune The Purples - Minimizes purple casts for more natural-looking color.

Mulch The Magentas - Neutralizes magenta casts for improved tonal balance.

Homestead Collection Actions

HOME-COOKED COLOR TONES

Churning Butter {Creamy Warmth} - Adds creamy warmth and soft golden tones for a rich, inviting finish.

Blanched Beans {Dark Green Matte} - Deepens greens with a dark, muted matte finish for earthy richness.

Bone Broth {Soft Golden Amber} - Infuses the image with soft golden-amber tones for subtle warmth and depth.

Garden Salad {Warm Kaleidoscope} - Blends an array of warm, earthy hues for a colorful, dimensional finish.

Sourdough Bread {Country Cool} - Introduces softly cooled, muted tones for a rustic, understated finish.

Baked Beans {Brown Sugar Matte} - Adds warm brown tones and a soft matte finish for rich, earthy depth.

Pickled Okra {Brisk Contrast} - Adds crisp contrast and cooler depth for a clean, defined finish.

Fresh Coleslaw {Chilled Medley} - Blends softly cooled tones for a fresh, subtly colorful finish.

Blueberry Crisp {Vivid Sweet Tart} - Enhances color and contrast for a vivid, lively finish with added depth.

Lamb Chops {Medium Rare Pink} - Infuses the image with soft rosy-pink tones for a warm, subtly flushed finish.

Harvest Stew {Hearty Roots} - Deepens earthy tones and shadows for a rich, grounded finish.

Liver & Onions {Soulful Sepia} - Adds warm, subdued sepia tones for a soulful, timeless finish.

Chicken Noodle {Pure Comfort} - Softens and warms the overall palette for a clean, comforting finish.

Homestead Collection Actions

HOME-COOKED COLOR TONES

Peach Cobbler {Toasty Bold} - Adds toasted warmth, richer color and stronger contrast for a bold, dimensional finish.

Mashed Potatoes {Whipped Ivory} - Softens the palette with creamy ivory tones and a light, airy finish.

Fried Tomatoes {Unripe Nightshade} - Shifts the palette toward muted green tones for a cool, earthy finish.

Biscuits & Gravy {Savory Contrast} - Adds gentle contrast and definition while keeping the overall palette warm and natural.

Blackberry Jam {Dark Preserves} - Deepens shadows and color with rich, moody tones for a darker, more dramatic finish.

Shepherd's Pie {Dusty Floors} - Mutes color with dusty, earthy undertones for a softly weathered finish.

Homestead Collection Actions

HOMESCHOOL COLOR GRADING

Encyclopedia {Rich Mahogany} - Deepens browns with rich, warm mahogany tones.

Spelling Bee {Bee-utiful Warmth} - Adds bright, honeyed warmth with a golden finish.

Bird Calls {Brilliant Plumage} - Enriches color with warm, vibrant earthy tones.

Chalk Dust {Ghostly Haze} - Softens color and contrast with a muted, hazy finish.

Handwriting {Dirty Words} - Adds warm, earthy depth with a slightly muted finish.

Bookworm {Novel Contrast} - Adds crisp tonal depth with richer shadows and definition.

Table Manners {Emulsive Conduct} - Mutes color for a subdued, earthy finish.

Nature Walk {Woodland Light} - Adds soft, earthy warmth with a natural woodland finish.

Morning Chores {Golden Dawn} - Warms highlights with a soft, golden morning glow.

Reading Nook {Cozy Glow} - Adds gentle warmth with a soft, cozy finish.

Piano Lessons {Ivory Olive} - Adds creamy ivory warmth with subtle olive undertones.

Arithmetic {Calculated Color} - Balances color with warm, softly muted earth tones.

Refrigerator Art {Prismatic Hues} - Introduces playful prismatic color with boosted greens and violets.

Homestead Collection Actions

HOME BREWED CONCOCTIONS

Moonshine {Crystal Clear Blues} - Adds crisp clarity with cool, clean blues and fresh contrast.

Pale Ale {Bright Lite Blonde} - Brightens the image with light, creamy warmth and softened contrast.

Spiced Cider {Rustic Autumn} - Adds rich, rustic warmth with earthy autumn tones.

Wheatgrass Juice {Earthy Greens} - Deepens natural greens with rich, grounded earth tones.

Strawberry Wine {Soft Sheer Blush} - Adds a delicate rosy warmth with a soft, airy finish.

Chamomile Tea {Soothing Contrast} - Adds gentle tonal definition with soft, soothing contrast and a light, airy finish.

Ginger Beer {Copper-Top Warmth} - Infuses the image with rich copper warmth and golden depth.

Kombucha {Fermented Florals} - Adds muted floral tones with an earthy, softly vintage finish.

Apple Cider Vinegar {Vibrant Warmth} - Boosts color and contrast with bright, lively warmth.

Folgers Coffee {Best Part Of Waking Up} - Adds rich contrast and warm, grounded depth for a polished finish.

Homestead Collection Actions

HOMEGROWN BRUSHES

Goat Milk {Creamy Haze} - Adds a soft, creamy haze to gently smooth and soften painted areas.

Raw Honey {Creamy Light} - Adds soft, creamy light to subtly brighten painted areas.

Cut Flowers {Vibrant Boost} - Boosts color and vibrance for richer, more lively tones.

Dried Flowers {Deaden Color} - Mutes and softens color for a more subdued finish.

Free Range {Release Light} - Opens darker areas to reveal more light and detail.

Hen House {Confine Light} - Darkens painted areas to contain light and add depth.

Albino Calf {Whiten Whites} - Brightens and cleans whites for a fresher, crisper appearance.

Black Angus {Blacken Blacks} - Deepens blacks for stronger definition and richer contrast.

Well Bucket {Lift Shadows} - Gently lifts shadows to reveal detail in darker areas.

Rescue Dog {Save Highlights} - Recovers bright areas to restore detail in highlights.

Whetstone {Sharpen Details} - Enhances fine detail and sharpness for a cleaner, more defined finish.

Homestead Collection Actions

HOMEMADE EFFECTS

Whittling Wood {Color Illumination} - Brightens and illuminates color for a fresh, radiant finish.

Hand-Me-Down Patch {Brilliant Hues} - Boosts color with richer, more brilliant hues.

Embroidered Linens {Veil Lifted} - Lifts dullness and haze for brighter, cleaner tones.

Mended Rag Doll {Color Blending} - Softens and blends color for a more balanced, cohesive finish.

Crochet Doilies {Velvet Pearl} - Softens contrast with a luminous, velvety finish.

Knitted Mittens {Dynamic Focus} - Adds dimensional contrast and definition for greater visual impact.

Needlepoint Pillows {Crystal Clear} - Adds crisp clarity and definition for a clean, polished finish.

NOSTALGIC HOME VIDEO

Film Grain Warm - Adds authentic film grain with a softly warmed finish.

Film Grain Neutral - Adds authentic film grain while maintaining balanced, neutral color.

Film Grain Cool - Adds authentic film grain with a subtly cooled finish.

Homestead Collection Actions

APOTHECARY CABINET

Tallow Balm {Midtone Pop} - Brightens and enhances the midtones for added dimension and pop.

Lemon Balm {Midtone Drop} - Deepens the midtones for richer tone and dimension.

Elderberry Syrup {Shadow Lift} - Gently lifts shadows to reveal detail in darker areas.

Hyssop Syrup {Highlight Recover} - Softens bright highlights to recover detail and balance.

Licorice Root {Highlight Pop} - Brightens highlights for added luminosity and pop.

Dandelion Root {Shadow Pop} - Deepens shadows for added richness and definition.

Marshmallow Root {Combo Pop} - Enhances highlights and shadows for an overall boost in dimension.

Turmeric Powder {Warm Shift} - Shifts the color balance toward warmer tones.

Lavender Oil {Cool Shift} - Shifts the overall color balance toward cooler tones.

Ashwagandha {Green Shift} - Shifts the overall color balance toward green.

Cayenne Pepper {Magenta Shift} - Shifts the overall color balance toward magenta.

Mullein Tincture {Contour Contrast} - Adds sculpted contrast to enhance depth and dimension.

Epsom Salt {Luminosity Matte} - Softens contrast with a luminous, matte finish.

Spice Jars {Simple Color} - Adds a clean boost of color for a richer, more vibrant finish.

Colloidal Silver {Simple Sharpen} - Adds clean, straightforward sharpening for crisper detail.

Homestead Collection Actions

BARNYARD BLACK & WHITES

Feral Cat {Clean Bright} - Creates a bright, luminous black and white with lifted tones and crisp contrast.

Dairy Cow {Clean Neutral} - Creates a balanced black and white with natural tones and clean contrast.

Skunk Stripe {Clean Bold} - Creates a bold black and white with deeper tones and stronger contrast for added impact.

WINDOW PANE LIGHT LEAKS

Warm Matte Edges - Softens edges with a warm matte finish.

Neutral Matte Edges - Softens edges with a neutral matte finish.

Creamy Top Light - Adds soft, creamy illumination from above while gently deepening the lower portion of the image.

Creamy Scattered Light - Spreads soft, creamy light throughout the image for a hazy, diffused glow.

Light To Dark {Left to Right} - Creates a gradual transition from lighter tones on the left to deeper tones on the right.

Light To Dark {Right to Left} - Creates a gradual transition from lighter tones on the right to deeper tones on the left.

Light To Light {Left to Right} - Adds a soft wash of light that travels from left to right.

Light To Light {Right to Left} - Adds a soft wash of light that travels from right to left.

Dark & Moody {Left Side Heavy} - Deepens the image for a moodier finish, with stronger shadow emphasis on the left.

Dark & Moody {Right Side Heavy} - Deepens the image for a moodier finish, with stronger shadow emphasis on the right.

Homestead Collection Actions

DUST & LIGHT OVERLAY APPLICATOR

Simplifies the placement and blending of dust and light overlays for a realistic, seamless finish.

Dust & Light Overlay Applicator - Select your desired dust or light overlay, then easily modify, resize, and position it to best fit your image. Built-in adjustments provide additional control over the overlay's color, warmth, highlights, and intensity for a more realistic, seamless finish

Cool It Down – Adds a cooler tone to the overlay.

Warm It Up – Adds a warmer tone to the overlay.

Highlight Mute – Softens and tones down bright highlights.

Highlight Boost – Brightens and enhances overlay highlights.

Color Mute – Reduces color intensity for a softer effect.

Color Boost – Enhances color for a richer effect.
