Newborn & Maternity Actions

FOR INTERNATIONAL USERS

Convert to Background Layer – This action is for our international users only. It translates the first layer (no matter the language) to the word “background” for our actions to function properly.

TRANSPOSE YOUR IMAGE

Horizontal Image Flip – Use this action to flip your image on a horizontal axis.

STITCH COMPOSITES

Composite Match – Intelligently blends elements into your image for a more natural, cohesive look. It automatically adjusts color, lighting, tone, and shadows so added or edited areas match seamlessly with the surrounding scene. It uses Photoshop’s newer AI-powered tools and uses a credit-based system—each generation consumes credits, so use it thoughtfully.

Newborn & Maternity Actions

BLANKETS & SEAMLESS PAPER

Patch The Blanket – Fills in missing or uneven blanket areas using Adobe Photoshop's Content-Aware technology for a seamless result. **Note:** Before running the action, use the Rectangular Marquee Tool to select the area that needs to be replaced. Once selected, play the action and Photoshop will automatically fill and blend the area.

Extend The Backdrop – Seamlessly extends your background to fill the frame or improve composition.

Add Grain Brush – Adds subtle, natural-looking grain to help reduce background moiré and restore realistic texture.

Add Blur Brush – Softens background areas to minimize moiré and create a smoother, more even look.

Convert To 16-Bit – Converts your image to 16-bit for smoother tones and improved editing flexibility.

Newborn & Maternity Actions

NEWBORN RETOUCH

Erase Flaky Skin {Small Flakes} – Gently removes fine, in-focus flakes for a smoother skin appearance.

Erase Flaky Skin {Large Flakes} – Targets and removes larger flaky areas while preserving natural texture.

Rash Rescue – Reduces redness and softens shadows in irritated areas for a smoother look.

Blotch Be Gone – Evens out uneven skin tones and reduces blotchiness.

Baby Butter Smoother – Smooths skin tones while maintaining a natural texture.

Glistening Skin – Adds a subtle glow and clarity for a fresh, luminous finish.

Redness Remove {Neutral} – Reduces red tones while maintaining natural skin balance.

Redness Remove {Lift} – Reduces redness while slightly brightening the skin.

Redness Correct {Neutral} – Removes unwanted reds and restores natural warmth.

Redness Correct {Lift} – Removes unwanted red tones, restores warmth, and brightens the skin.

Jaundice Remove {Neutral} – Corrects yellow tones for a more natural skin appearance.

Jaundice Remove {Lift} – Corrects yellow tones while adding a touch of brightness.

Purple Skin Neutralizer – Reduces purple tones and restores natural warmth.

Gray Skin Neutralizer – Warms dull or gray areas for a healthier skin tone.

Warm The Cold Skin – Adds warmth to cool skin tones for a more natural look.

Cool The Warm Skin – Softens overly warm tones for a more balanced look.

Universal Skin Tone Fix – Allows you to sample a nearby tone and paint over areas for a smooth, natural skin tone match.

Newborn & Maternity Actions

NEWBORN RETOUCH

Under Eye Skin Fix {Left} – Brightens and smooths the left under-eye area for a more rested look.

Under Eye Skin Fix {Right} – Brightens and smooths the right under-eye area for a more rested look.

Darken Lashes & Brows – Enhances lashes and brows by adding depth and definition.

Baby Skin Tone Palette – Allows you to paint in custom skin tones as needed.

Rosy Lips & Cheeks Palette – Allows custom selection to add a soft, natural rosy tone to lips and cheeks.

MATERNITY RETOUCH

Pregnancy Glow Smoother – Enhances skin with a soft glow while smoothing tone and texture.

Bye Bye Cellulite – Softens the appearance of cellulite for a smoother finish.

Minimize Stretch Marks – Reduces the visibility of stretch marks while preserving skin texture.

Fake Tan Fix – Corrects uneven or overly warm tones for a natural skin finish.

Bright Eyes – Brightens and enhances the eyes for a more refreshed look.

Pearly Whites – Whitens teeth for a clean, natural smile.

Hair Smooth – Refines hair texture for a softer, more polished finish.

Hair Shine – Adds subtle shine for healthy, luminous hair.

Minimize Roots – Softens visible roots for a more blended hair color.

Newborn & Maternity Actions

MATERNITY RETOUCH

Auto Contouring – Gently sculpts facial features with natural contouring for a refined look.

Smooth Out Silk – Softens silk texture for a smooth, polished finish.

FREQUENCY SEPARATION

Perfect Texture {8 bit} – Applies frequency separation for precise skin retouching on 8-bit images.

Perfect Texture {16 bit} – Applies frequency separation for advanced, high-quality skin retouching on 16-bit images.

MODIFY BLANKET OR OUTFIT COLOR

Color Changer – Changes blanket or outfit color while preserving texture.

ONE-CLICK FOUNDATIONS

PBS Funding {Crisp Clarity} – Enhances detail and sharpness with crisp clarity, adding subtle contrast for a clean, refined finish.

Provided By {Lifted Clarity} – Lifts midtones and shadows while enhancing detail, creating a soft, airy clarity.

Viewers Like You {Hoisted Clarity} – Brightens and elevates tones with enhanced clarity, adding depth while maintaining a soft, natural look.
